## **E3 SCHOOL BOARD PARTNERSHIPS**

---

The Take a Hike Program is a result of a successful partnership between the local School Board and the Take a Hike Foundation. The Foundation will facilitate excellent relations with our partners while fulfilling our obligation to our donors and volunteers.

### **E3.1 MEMORANDUM OF UNDERSTANDING (MOU)**

---

A Memorandum of Understanding (“MOU”) has been created to outline the partnership between the local School Board and the Foundation, including the resources each organization contributes to the Program. The Foundation will review the existing MOU in the spring of each year in preparation for a meeting with the School Board which will happen typically in May. Any changes to the MOU are subject to Foundation approval.

A sample MOU template is included in [E4 – Memorandum of Understanding – School Board – Sample](#).
