9276 Scranton Rd. Suites 500 and 600,  
San Diego, CA 92121

# An International Network

## Our Mission

BioLabs is dedicated to bringing life-changing discoveries to fruition by accelerating the growth and success of life science startups.

BioLabs pioneered the lab co-working concept and has built a global network of 15 co-working laboratory facilities, changing forever the way life science companies are created. Our sites combine fully equipped, permitted, and staffed co-working lab and office facilities, community-building programming, and unparalleled social and networking opportunities. We help your startup progress further and faster on limited investment capital, achieving a shorter path from proof-of-concept to commercialization.

Established 2009

## About BioLabs San Diego

BioLabs San Diego is a 42,000 sq ft Class A facility with a variety of shared and private lab and office solutions to meet your company's needs.

BioLabs San Diego is located at Longfellow's Biovista campus, a biotech innovation hub centrally located in Sorrento Mesa. The campus is situated near two major SoCal freeways (805 and 5) and the San Diego Coaster train station. The BioLabs San Diego site is only a ten-minute drive from the University of California San Diego, Scripps Research, the Salk Institute, Sanford Burnham Prebys, the Torrey Pines mesa, and University Town Center. The Biovista campus is also a short drive from several contract vivariums, CROs, and CDMOs.

# BioLabs Membership Benefits

---

BioLabs gives you the ability to focus on your science, with access to the resources you need, from specialized equipment to permitting and procurement. What's more, our team becomes part of your team – providing technical support, been-there advice, and connecting you to a global network of industry partners. In one place, you gain access to the infrastructure, operational support, and industry connections that you need to build and grow your startup.

**Access to educational programming, technical seminars, networking, and social events** hosted by a wide network of sponsors and business leaders from the biotech and pharma industries

**Purchasing through BioLabs Marketplace**, a procurement system & customer service team that simplifies your accounting and offers discounts from top life science vendors

**Introductions to leading community and industry partners** including top pharma companies, investors, and life science service providers

**Membership to Biocom California**, California's largest life sciences industry trade organization

**Operational support** from BioLabs' knowledgeable site staff

**Ultra-flexible membership terms**—Grow organically, without a long-term commitment!
